# BUCKS YOUTH CRICKET TRUST SUPPORT: Player Pathway

September 2022 to August 2023: BYCT supported 24 players with the cost of training, match fees and tours, subsidising payments by £2.2k

To make support more accessible for winter training this year we sent out a 20% and 40% discount options, for any players to use who required support, with the option to contact Stuart Beck (BYCT) if a higher level of support was required.

Similarly, for EPP & MTP sessions (that are already over 50% subsidised by Bucks Cricket) we offered a 50% off code with the registration link.

October 2023: BYCT have already supported 40 players with the cost of winter training, subsidising payments by £1.6k (see breakdown in the table below). Other pathway parents donated a total of £420 in October 2023 to support this provision.

## COST REDUCTION FOR ALL PATHWAY PLAYERS

Through sponsorship from Wolters Kluwer and a grant from ECB, we were able to reduce the cost to parents of the 2023 summer programme by a total of £30,000.

BYCT then provided further grants to 10 players for summer fees and 3 players for festivals

- Players at state schools may be at a disadvantage for selection due to less cricket being played in state vs independent sector
- 69% of this years' pathway players attend State Schools, last year this was 66%.
- U11s are still at primary school, therefore Grammar (State Selective) schools are not an option at that age

This shows type of school all players attended when they were at **Primary School**  
 (i.e. a better indicator of socio-economic and cricket background than Secondary School - due to the Grammar school system in Bucks)
