

Bucks Cricket – Safeguarding Code of Conduct

Bucks Cricket is committed to the player's wellbeing, future development, and realisation of achievement. Our principles that underpin our Child Protection Policy that relate to this Code of Conduct are:

The child's welfare is paramount.

- All children, whatever their age, culture, disability, gender, language, racial origin, religious belief or sexual identity have the right to protection from abuse.
- All children have the right to be safe and treated with dignity and respect.

Any breach of the Code may lead to the player being warned as to his/her future conduct or in more serious cases being suspended or barred from participation in Bucks Cricket activities. During festivals or tours players may be sent home for serious breaches of discipline.

This code applies to all activities run by the Bucks Cricket. Any matters regarding this code should be addressed to either the CEO, Richard Hudson Richard.hudson@bucks cricket.co.uk or the safeguarding officer Hugh Suter safeguarding@bucks cricket.co.uk

- Abide by the Spirit, as well as the letter, of the laws of cricket (Copies of the Spirit of Cricket are available from your age group manager).
- Always accept the umpire's decision and not to show any dissent - umpires will be advised prior to a match of the high standards demanded from a Bucks Cricket team.

THE PARENTS/GUARDIANS (FAMILIES) AGREE TO:

 - Not enter the dressing room at any stage of the match except in exceptional circumstances, such as injury, when this may be waived at the discretion and invitation of a team official.
 - Ensure their child remains with the team during the duration of the match to ensure greater team spirit and aid their child's cricket education.
 - Not interfere, unless specifically requested, with the warmup, or comment on involvement of your child in the match.
 - Not enter the scoreboard, unless specifically requested to do so, or interrupt the scorer during an over.
 - Not undermine the role of the manager/coach during or after matches, by giving different advice to that which your child has been given.
 - Appreciate that catering is provided for players and officials only and, unless invited by the home manager, refrain from using the meal area during intervals.
 - Provide transport to matches or meeting point and, although it is understood that it is sometimes difficult to make arrangements, not request Managers and Coaches to assist.
 - Express areas of concern, cricket or otherwise, with the Management after the game and in private.
 - Ensure that your child adheres to the dress code, which will be specified by the team manager.

This code is not intended to cause offence to parents/guardians, but managers/assistants and coaches are entrusted by the Bucks Cricket to educate players to a consistent cricket standard. It applies to all activities organised by the Bucks Cricket. Whilst Bucks Cricket fully accepts that many parents/guardians have played the game and feel they could do or advise better, EXPERIENCE SHOWS THAT THIS ONLY LEADS TO CONFUSION. Each official as well as your child is subject to strict codes. This is merely intended to guide and help you become part of the team involved in Bucks cricket

THE MANAGER/COACH AGREES TO:

- Be responsible for the conduct of all players and officials during the period they are representing Bucks Cricket, on or off the field, at festivals and on tours and deal with any matter arising, taking the appropriate action.
- Undertake the selection and administration of all teams under his control, reporting regularly to the Bucks Cricket on all pertinent matters and producing an end of season report.
- Ensure that there is always an adult, connected with the representative side, present throughout the duration of matches or practices or coaching sessions to always ensure the supervision of players, giving due consideration to their privacy.

- Ensure, before the commencement of the match, that the umpires are made aware of the standards expected from the Bucks Cricket and request any incident to be reported at the earliest opportunity.
- Ensure that the pavilion and ground areas are left in a tidy condition, with all local practice rules and ground regulations observed. • Undertake good child protection practice in all dealings with his/her players.
- Be DBS checked and vetted prior to their involvement.
- Abide by the Bucks Cricket E-Policy. Any breach of this code or, if the integrity of Bucks Cricket is put into question, will be dealt with by the Bucks Cricket in a prescribed manner.

IN GENERAL:

- Team Tactics will be the sole responsibility of the Management team (Manager, Coach, Captain and Vice-Captain). They should not be publicly criticised by players, parents/guardians, or nonparticipants.
- Batting Order will be determined by the Management team.
- Players' performances will not be the subject of judgement and criticism by other players, parents/guardians, and non-participants.
- Selectors and Umpires Decisions: Players and non-participants must accept without question decisions made by selectors and umpires during the game.

Helmets:

- It is Bucks Cricket practice that, in all matches, wicketkeepers, standing up to the wicket, and all batsmen will wear a helmet. A wicket-keeper face protector cannot be worn.
- Kit - we would encourage players not to wear county kit in club/school matches.
