

Safer Recruitment Policy

It's critical that Cricket does all it can to ensure that people are suitable for their roles and upholds the values and behaviours that are expected.

Safer Recruitment Policy aims to ensure that the recruitment and selection processes used

in Cricket:

- Incorporates relevant vetting and checking procedures including a robust induction
- Provides ongoing training and development
- This policy outlines the steps Bucks Cricket will take to ensure those employed or who volunteer are safe to work with children and young people and its main purpose is to:
 - Deter unsuitable people from applying and working within the game
 - Attract the best possible candidates to work in Bucks Cricket to create and maintain a safe workforce.

Preparing to Recruit

Planning the process

The recruitment and selection process set out in this Policy should ensure the identification

of the person(s) best suited to the role, whether paid or not, based on the applicant's abilities, qualifications, experience and attitude as measured against the role profile and person specification.

Advertising

The purpose of an advertisement is to attract only the right type of person for the role.

Bucks Cricket will therefore consider the most appropriate ways to advertise each role.

All posts working with children and young people should be advertised, ideally internally and externally.

- Our website and social media, including our LinkedIn page
- Relevant job boards, e.g. UK Sport
- Use of 3rd parties/recruitment agencies if this is deemed necessary

Safeguarding Statement

All advertisements for roles in regulated activity, paid or unpaid, must include this statement:

“Bucks Cricket is committed to safeguarding and protecting the children and young people that we work with. As such, all posts are subject to a safer recruitment process, including the disclosure of criminal records and vetting checks. We ensure that we have a range of policies and procedures in place which promote safeguarding and safer working practice across our services.”

Defining the role

All roles will have an element of safeguarding responsibility, and this will be reflected in the

role profile.

Bucks Cricket will implement:

- Role profiles, which define whether the role will have contact with children and young people.
- Person specifications, describing the skills, experience or attributes the successful candidate needs to carry out the role.

Where roles are eligible, role profiles will specify the requirement for an ‘Enhanced DBS
